"MY MERCY IS GREATER THEN MY JUSTICE" - JESUS

Faustina Kowalska, a Polish nun, now Saint Faustina, reported visions and visitations from Jesus and conversations with Him between 1934 and 1938. Jesus asked her to paint a picture depicting His merciful divinity (pictured right) being poured out from His Sacred heart and 14 times specifically asked her for a feast of Divine Mercy to be established on the first Sunday after Easter. The most comprehensive revelation can be found in Diary entry 699:

"My daughter, tell the whole world about my inconceivable mercy, I desire the Feast of Mercy to be a refuge and a shelter for all souls and especially for poor sinners. On that day the very depths of My tender mercy are open. I pour out a whole ocean of graces upon those souls who approach the fount of my mercy. The soul that will go to confession and receive Holy Communion shall obtain complete forgiveness of sins and punishment. On that day all the divine floodgates are opened through which graces flow. Let no soul fear to draw near to me, even though its sins be as scarlet. My mercy is so great

that no mind, be it of man or of angel, will be able to fathom it throughout all eternity. Everything that exists has come from the very depths of my most tender mercy. Every soul in its relationship to me will contemplate My love and mercy throughout eternity. The Feast of Mercy emerged from the depths of my tenderness. It is My desire that it be celebrated on the first Sunday after Easter. Mankind will not have peace until it turns to the fount of My mercy.

The first Sunday after Easter is called "Divine Mercy Sunday"

In the painting of Jesus, Jesus Himself explained to St. Faustina that, "The two rays represent blood (in red on the left) and water (in white on the right)" (Diary 299) Remember the evangelist John, who, when a soldier on Calvary pierced Jesus's side with a spear, the soldier saw **blood and water** flowing from it. (John 19:34) The image of Jesus, the Divine Mercy, is to have a special place of honor on the Feast of Mercy, a visual reminder of all that Jesus did for us through His Passion, Death, and Resurrection.

OTHER WORDS OF JESUS TO ST. FAUSTINA: *"Let all mankind recognize My unfathomable mercy, it is a sign for the end times; after it will come the day of justice. I want the image solemnly blessed on the first Sunday after Easter, and I want it to be venerated publicly so that every soul may know about it."* (Diary 341)

The Feast of Mercy emerged from the very depths of my mercy... every soul believing and trusting in My mercy will obtain it. (Diary 420) *"Yes, the first Sunday after Easter is the Feast of Mercy, but there must also be deeds of mercy, which are to arise out of love for Me. You are to show mercy to your neighbors always and everywhere."* (Diary 742)

In the Catholic faith:

To venerate does not mean to worship. Worship and praise are due only to God. We never adore or worship statues or pictures or paintings. We VENERATE THEM or show honor, reverential respect, feelings of love, respect honor for the person and their life depicted. Like a family photo.

As you read the Diary of Faustina Kowalska, you find this little prayer: ***"You expired, Jesus, but the source of life gushed forth for souls and the ocean of mercy opened for the whole world. O Fount of Life, unfathomable divine Mercy, envelop the whole world and empty yourself out upon us."*** (Diary 1319) Immediately after these words and without any further explanation St. Faustina records this unexpected request of Our Lord: ***"At three o'clock, (each day), implore my mercy especially for sinners; and, if only for a brief moment, immerse yourself in My Passion, particularly in my abandonment at the moment of agony. This is the hour of great mercy for the whole world... In this hour, I will refuse nothing to the soul that makes a request of Me in virtue of my Passion."*** (Diary 1320) About 4 months later, again, without any introduction, St. Faustina penned these words of our Lord: ***"I remind you, My daughter, that as often as you hear the clock strike the third hour, immerse yourself completely in My mercy, adoring and glorifying it; invoke its omnipotence for the whole world, and particularly for poor sinners, for at that moment mercy was opened wide for every soul. In this hour you can obtain everything for yourself and for others for the asking; it was the hour of grace for the whole world- mercy triumphed over justice."***

A SPECIAL PROMISE OF MERCY: Our Lord's promise to grant complete forgiveness of sins and punishment on the Feast of Mercy is recorded three times in the Diary of Saint Maria Faustina, each time in a slightly different way:

"I want to grant a complete pardon to the souls that will go to Confession and receive Holy Communion on the Feast of My Mercy (1109) 2. Whoever approaches the Fount of Life (Eucharist) on this day will be granted complete remission of sins and punishment. (300) 3. The soul that will go to confession and receive Holy communion will obtain complete forgiveness of sins and punishment. (699)

Cindy, I and three of my children visited the National Shrine of Divine Mercy, in Stockbridge MA, last May. We arrived during Mass while a priest from Africa was giving his homily and stayed for the rest of the Mass. After Mass, a lady in the vestibule told Cindy and my daughter a true story about the priest from Africa who just celebrated the Mass.

The priest offered himself to be jailed as a hostage if the authorities would release some seminarians who were unjustly jailed. The priest held a rosary in his

hand during the negotiations. One of the guards tried to rip it from him and the guard's hand was badly burned when he touched the rosary. In fear, then the guards released the seminarians and then the priest demanded all the political prisoners be released. Again, in fear, they released all the prisoners. The priest was a real hero and Mary, the Rosary, did their part! All information, books, the painting of Jesus and other religious items are available at ShopMercy.org.

"If you do not believe when I tell you about earthly things, how are you to believe when I tell you about those of heaven?" John 3: 12.

People have been lying about Christianity since the day of the Resurrection. The call to be a Christian is so demanding that people have to deny it is real or that it works. Then it goes away. ***"Enemy- occupied territory, that is what the world is. It is the story of how the rightful king has landed, you might say in disguise and is calling us all to take part in a great campaign of sabotage."*** C. S. Lewis

Do not be surprised or scandalized by the sinful and the tragic. Do what you can to be "peace" and to do justice but never expect or demand perfection on this earth. It usually leads to false moral outrage, a negative identity, intolerance, paranoia, and self-serving crusades against "the contaminating element.", instead of "becoming a new creation" ourselves.

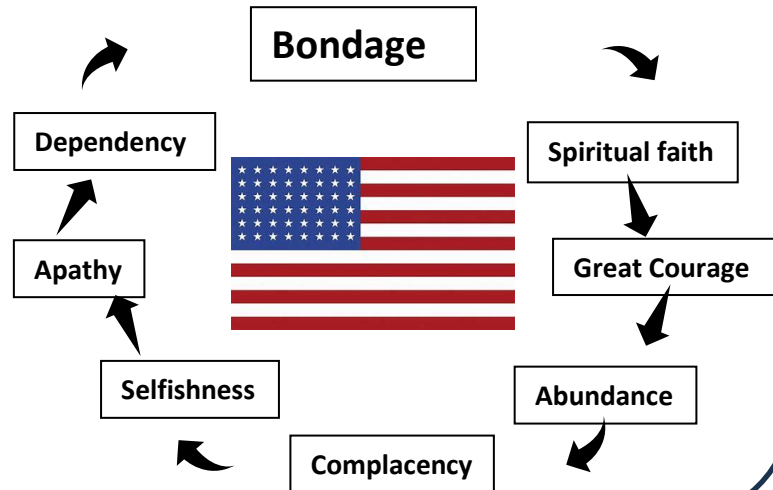

After the President Trump State of the Union address on March 4th, congresswoman Dove, Democrat, responded, ***"We are going to speak lies to his truth."*** - a faux pas, no doubt, but she spoke an inadvertent TRUTH about her party's present unspoken policy and deep sickness.

Sometimes President Trump is abrasive and mildly obnoxious, and there is plenty to criticize him about as many do, but most of the time he speaks the truth and does what is good for Americans, WITH THE SPEED OF BUSINESS - not the pace of never-ending talking politicians.

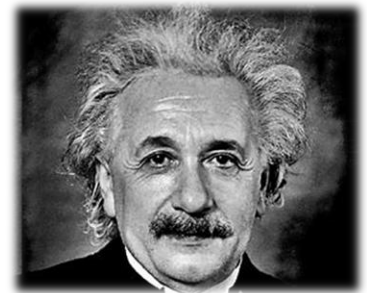

The truth, now recognized by most average Americans, is causing a **MASSIVE CORRECTIVE CULTURAL CHANGE!** Whether the change will take hold remains to be seen. Americans, Christians are sick of the deception, misinformation, lying, misappropriation of tax money for decades. The founding Fathers didn't intend for any of this. Thomas Jefferson: ***"Every government degenerates when trusted to the rulers of the people alone. The people themselves are its***

The average age of the world's great civilizations has been 200 years. America is 25 years. These nations progressed through this sequence: WHERE ARE WE RIGHT NOW??

On August 6th, 1945, as the atom bomb was exploding over Hiroshima, Einstein declared, ***"EVERYTHING HAS CHANGED EXCEPT OUR WAY OF THINKING."*** On that day an old world died. A world that was built on

FRAGMENTATION AND RADICAL INDIVIDUALISM - expressed and celebrated by the Democratic Party during the latest State of the Union speech in their unwillingness to stand or clap for a 13-year-old boy who beat brain cancer, and a mother whose daughter was viciously murdered. No HEART!! Good is good and needs to be celebrated no matter who does it. This was FRAGMENTATION AT ITS BEST. These are the people and a Party that are lost. And so, massive cultural change is promoted by the common, average person who has been most affected by bad decisions. **Einstein is crying!** ***"The consciousness that creates a problem CANNOT be the same consciousness that solves it."*** – The same Einstein! This “consciousness” is the last 90 years of how this country has been governed. – The government NEEDS A NEW CONSCIOUSNESS just as the Catholic church needs a new consciousness to solve its clergy problems. There was a time when Christianity and Judeo-Christian morals were like our national immune system, and our stability to fend off toxic ideologies like socialism/communism were rooted in those convictions. On Dec 5, 2024, when the presidents of three of America's most prestigious universities appeared before congress during a hearing on rising antisemitism, they refused to state clearly whether or not calls for the killing of Jews on their campuses would constitute bullying or harassment. Across the country, jaws dropped. University campuses have become dangerous to your physical and spiritual health.

Bad theology, bad religion, bad philosophy, bad psychology, bad media, bad politics and government, bad education, bad logic, bad families and marriages, etc. ARE NOT VICTIMLESS CRIMES! Little by little we can DRIFT into and become a part of the general system of delusion. ONLY TRUTH WORKS! The Creator and Savior is an essential part of it. We are so easily disillusioned! Obedience to the word and spirit of God, tested by the fruits of humility and compassionate love are essential. PRAYER!!!! LESS ACTIVISM. MORE FACTISM! As Christians we are IN the world, not OF the world but FOR the world. Facts, Truth. Wisdom. Honesty.

All we ask from ALL the leaders in ALL INSTITUTIONS is to dedicate themselves to TRUTH and JUSTICE and perhaps, if they demonstrate a little love. It is not the intent of Mary's Field to promote a political agenda. We are not in the business of politics, we are in the business of souls and every politician has one, even if they tried to sell theirs at some point during their rise to power. We recognize the divine spark in everyone including the politicians, the judges and heads of business and universities who are all made in the image and likeness of God. Loving unconditionally also requires us to gently prod and encourage our fellow brothers and sisters in Christ to do what is right.

Be it known that the University of Pittsburgh is taking the scalps of five-month-old babies and stitching them onto the backs of lab rats. The scientists were growing the aborted babies' hair on the rodents. The scientists described these aborted babies' scalps as "full thickness

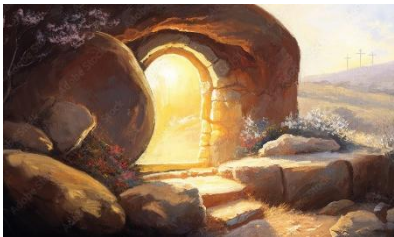

human fetal skin" cut from the heads and backs of babies, then "processed via removal of excess fat" underneath the baby's skin before stitching it on to the rats. Paid for by a nearly half-a -million- dollar "research" grant from Dr. Anthony Fauci's NIAID office at the National Institute of Health. Biden/Handlers/Obama/Democratic party.

EVIL/SINFUL!!! The Pitt scientist who invented this brutal experiment received nearly \$3 million from the NIH. Abortion and Planned Parenthood stops little hearts. -And is using babies for experimentation. Similar experiments are happening a Zuckerberg Hospital in San Francisco. Sadly, the Democratic party has a truly evil component that is now discovered on a daily basis. People, like Mr. Fauci, do not get pardoned unless they have done evil things, which we have been writing about for the past four years because they infect the souls of Christians.

"To those who hate the truth, it will sound like hate. But if you love the truth, the truth will sound loving AND IT WILL FREE YOU." "I am the way the TRUTH and the life." Jesus For the past 2 years, weekly, I have been corresponding with a very wise and learned priest in Ireland. He, and as he writes, most of thinking Europe rejoices at the election of President Trump. He reports that the Socialist leaders (Communists) in Ireland are brutal in their societal and personal thought control.
