Good News for a Fractured World!

The best line, I think, from Jesus in "Chosen" (280 million viewers) is when Jesus says to the neophyte and upset Peter upon choosing Matthew, the tax collector, from his tax booth: "***Get used to different.*" "GET USED TO DIFFERENT**!!! GET USED TO DIFFERENT*

Today, and every day, it is so difficult being a good, growing, faithful Christian. husband, wife, parent, mother. father, One certainly needs to get **"Used to different."** For me: my pride, my ego, self-centeredness, need to be praised and honored, power and control are ALWAYS PUSHING ME AROUND. It is so difficult to be simple, honest, truly humble with oneself and others. Truly and only childlike! "Your pride of life has led you astray. "Obadiah 1 "Be on guard against performing religious acts for people to see. Otherwise expect no recompense from your heavenly Father." Mt.6: 1. My grace is sufficient for you, for my power is made perfect in weakness. I will boast more gladly about my weakness so that Christ's power may rest in me.' 2 Cor. 12,9. "He needed no one to give him testimony about human nature. He was well aware of what was in man's heart. John 2: 25.

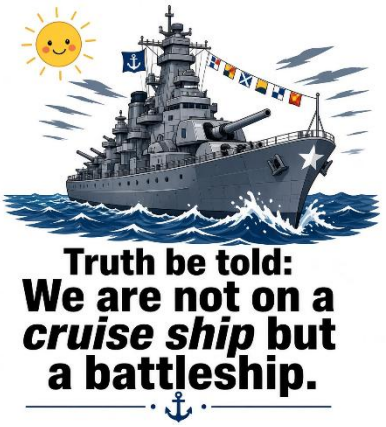

Prayer changes things, EVERYTHING. Jesus didn't go out into the desert for 40 days BEFORE BEGINNING his ministry for nothing. He was severely tempted by the devil. **And NAIVELY, we think we shouldn't be?**

Let's end our discussion of Satan with a short prayer I use each morning to make sure Satan is in check in all areas of our lives. Each morning, I pray the following prayer: **First: I make my intention: For our home, my wife, children, grandchildren and their families, benefactors, all who are involved in Mary's Field in any way shape or form. Anything mechanical or electronic connected with us. Anything connected with us morally, emotionally, spiritually, physically in any way. Our sources of ministry, and financial security.**

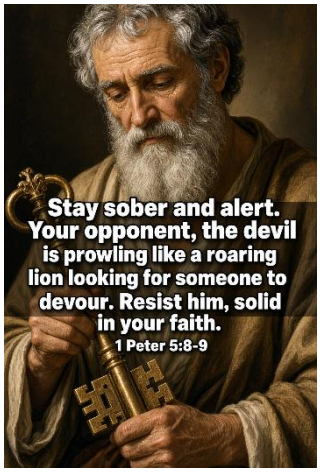

I bind up all evil spirits of earth, air, fire, water, satanic forces of nature and the underground (he has to live somewhere) sent against us. I forbid any interplay, intercommunication or game playing among all evil spirits in the name of Jesus Christ. I break, bind up, reject, declare null and void any curses, hexes, spells, signs, Voo-doo, witchcraft, magical arts, Satanic covenant or ritual prayers in the name of Jesus Christ. Please send Michael and your warrior angels to protect us this day. Amen.

In the last two issues we wrote about Satan and his influence in our culture. Everyone I know is afraid to do this, because as the exorcist, Monsignor Rossetti said, 'Some of your friends will think you are nuts." It is easy to lose credibility in the eyes of some people. However, Satan is real, and the only possible explanation for some of the outlandish things that are happening in the world and in our churches. By *EXPERIENCE,* real experience, Cindy and I know Satan is real. We would not go out

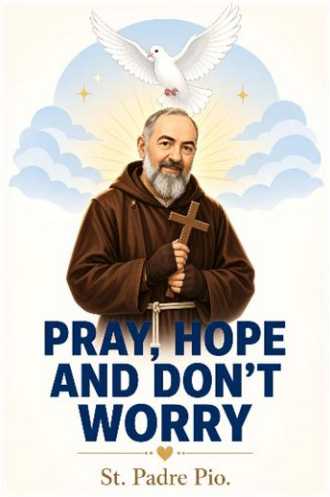

on a limb, unless we knew this, for certain. WE have seen with our own eyes. Can you imagine your Satan worshipping mother at age four forcing you to kill a rabbit and drink its blood? We can.

Seem strange? -a bit kooky! Not when you have seen some of the things we have seen! This real, not fair, very bad Satan is the intelligent, spiritual reason for the last 2 issues of "Of Seeds and Flowers". Remember the story of Jim Woodford the NDE man in the June issue of "Of Seeds and Flowers". Remember Mr. Woodford's heavenly encounter with Satan and some very bad angels. IT IS REAL. He, NOW, believes.

Jesus spent most of his ministry healing the sick and casting out demons. *"As evening drew on, they brought him many who were possessed. He expelled the spirits by a simple command and cured all who were afflicted. Thereby fulfilling what had been said through Isaiah the prophet: "It was our infirmities he bore, our sufferings he endured." Matthew 8:16.*

In 44 years, over 400 issues of "Of Seeds and Flowers" we never spent any print space dealing with the subject of Satan/ Devil. During this time Cindy, my wife, and I, in counselling, have had some VERY Powerful, impressive and real experiences with people involved with Satan. One was a man who, when he was four years old, was forced by his Satan worshipping mother to kill a rabbit and drink its blood. NO FOOLING!!

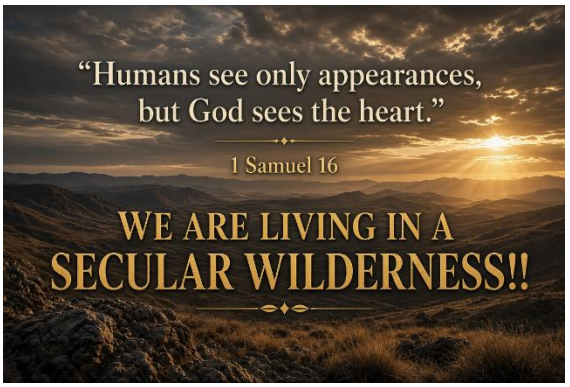

In our two September issues of "Of Seeds and Flowers" we deal with this reality in a general way, recognizing Satan's influence in our current church life and cultures around the world.

Planned Parenthood

1190 babies are killed EACH DAY BY Planned "***Un-Parenthood".*** Please keep supporting organizations and political candidates that oppose abortion. Abortion of little hearts and lives is truly disgusting. As a political plan it is outrageous!!! Is this of Satan or what? "Planned UN-Parenthood is spending 47 Million dollars to make sure candidates mostly Democrats who are for abortion will be elected in November. Very sad!

"Have I become your enemy just because I tell you the truth?" *(Galatians4:16)*

67% of Democrats say that the issue of abortion is very important to their vote while 84% say that abortion should be legal in almost all cases. (Pew 2026) The Netherlands just "Euthanized" their first 2-year-old because once you can justify abortion in the womb every other age merely becomes an issue of semantics. Most Americans have no idea that OVER 65 MILLION babies have been killed since 1973. Few buried in the ground. 400,000 occur each year in a Planned Un-Parenthood Clinic - 42% of all abortions. And now they distribute chemical abortion pills in the mail - and are causing incredible pain and suffering for women and our society as a whole!!!

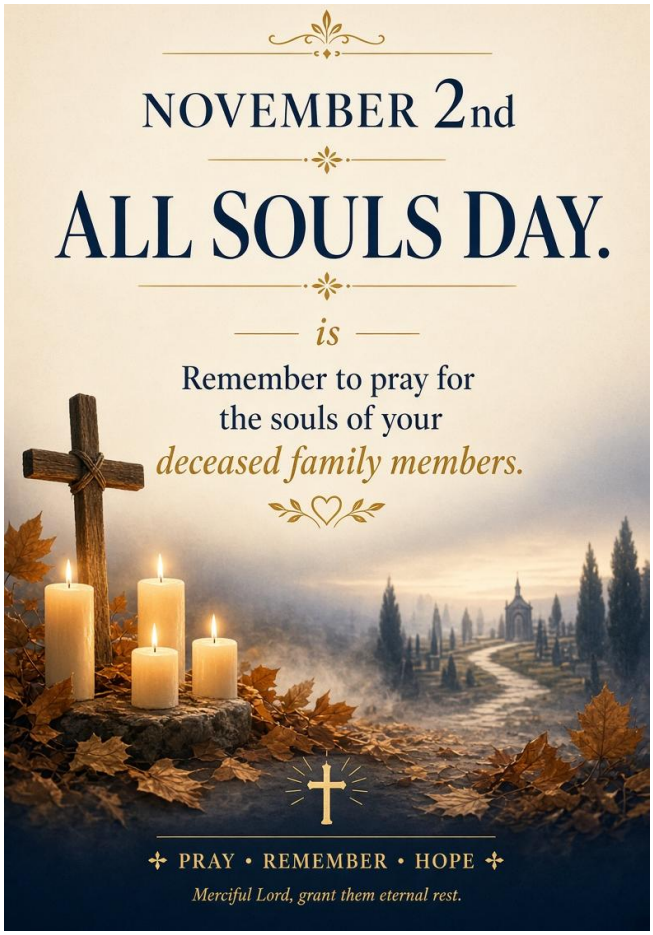

To most Americans, child sacrifice is a chilling relic of the distant past: barbaric, unimaginable, and something that will never return to civilization. But history tells a different story.... Again, and again, over and over, across cultures and continents, this horrific act has

resurfaced. And shockingly… we see a reemergence of this ancient evil today with “Planned Un Parenthood”. The supporters of this evil are mostly left wing, morally confused, college graduated white women and their professors who have regressed us into a primitive culture. And now a woman in Massachusetts strangled her three children and women throughout the country not only espoused support for her but raised 1 million dollars on her behalf. The mother tried to kill herself, so she knew she did something wrong. Poor culture, poor civilization.

In modern society will look up ancient civilizations that killed babies with DISDAIN, AS PRIMITIVE, as BARBARIC. And we do the same with our votes and taxes and moral support. Please don’t blame me. I’m just the Messenger. ALL, ALL of the above is the TRUTH and we have amoral obligation to speak out against grave evils in this country. At present, our government and the people who put it there are in DEEP MORAL ERROR. This is a serious Church, cultural and civilization matter. Don’t buy into it. The right to life was so important in this nation’s founding that Thomas Jefferson enshrined it into our very founding document the Declaration of Independence - declaring that everyone has the right to “LIFE, liberty and the pursuit of happiness”.

One of the chief obstacles to the sanctity of life is college educated women, with no children, who have become the most consistent supporters of abortion. I am puzzled. What is behind this behavior? What motivates this way of thinking and acting? What has caused this group en-masse to take such a horrific position against innocent children? For many of these women “Reproductive rights” are their religion and abortion has become their sacrament.

The IRS reached a **happy, truthful** agreement over the IRS’s and government authority to stifle political speech of religious non-profits. ***“When a house of worship in good faith speaks to its congregation, through its customary channels of communication on matters of faith in connection with religious services, concerning electoral politics viewed THROUGH THE LENS OF RELIGIOUS FAITH, IT NEITHER PARTICIPATES NOR “INTEVENES IN A POLITICAL CAMPAIGN, within the ordinary meaning of those words.”*** *GOOD NEWS, COMMON SENSE ! No complaining to your pastor or Mary’s Field when he or she speaks about abortion, etc.*

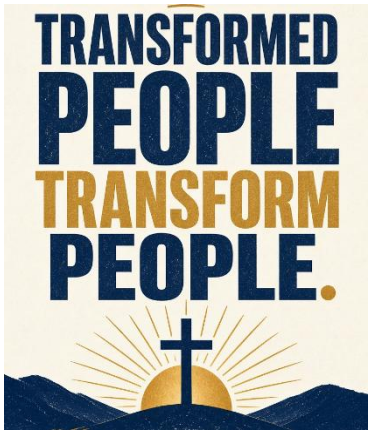

Dr. Fauci – of Covid infamy – invoked is 5th amendment right to self-incrimination, 111 times in a congressional hearing, even after receiving a unilateral presidential pardon. For most people, the Fifth Amendment is a protection of their rights, but for Fauci it was a way for him not to perjure himself. He told parents to vaccinate their children even though it was clear from the very beginning that children were not in any danger from the virus. A recent study of 1.7 million children found that Myocarditis & Pericarditis (Heart inflammation and damage) only appeared in children who had received COVID mRNA vaccines - Not a single unvaccinated child in the group suffered from heart-related problems. 6 Feet. And the people that didn’t come back to church!

The Catechism of the Catholic Church teaches that "intervening directly" in the *"Political structuring and organization of social life"* **IS our "vocation",** and the U. S. bishops have declared that ***"Jesus calls each of us to be a leaven in society, to "proclaim his message",*** **and thereby to influence the character of our nation.**

Mary's Field is not in the business of politics; however, we are in the business of sharing the Gospel and ALL OF ITS MORAL DEMANDS. Politicians have souls and we are responsible for evangelizing those souls and gently correcting them when they are in grave error.

Father Mike Schmitz, of "Read the Bible in a Year" fame, had a professor in the seminary who would regularly say to the seminarians. ***'Gentlemen, remember the millstone.'***
"Whoever causes one of these little ones who believe in Me to sin, it is better for him that a heavy" millstone" be hung around his neck, and that he be drowned in the depths of the sea." MT:18

We close with the wise words from a very holy man, Thomas Merton. "***Society depends for its existence on the personal solitude of its members. When society is made up of people who know no interior solitude (Centering Prayer, Contemplation) it can no longer be held together by love. No amount of technological progress will cure the sickness that eats away at the vitals of a materialistic society like spiritual cancer. The only cure is, and must ALWAYS be, spiritual. The ears with which one hears the saving message of the Gospel are hidden in people's hearts, and these ears DO NOT HEAR ANYTHING UNLESS THEY ARE FAVORED WITH INTERIOR SOLITUDE AND SILENCE."***

If "Of Seeds and Flowers" is feeding you, please would you think of feeding us.
